Dear Brian Petersen,

**Combined Voyage 6 Punch List**

This letter is to confirm that as of 11-19-10 (CST) ABFJV and the Department are in agreement with the items (17 in total for Tower and 11 in total for OBG) listed on the Combined Voyage 6 Punch Lists (see attached).

Work will continue on the welding database (CCO 77) until the Voyage 6 shipment arrives in Oakland at which time a percentage complete for Lift 3 of Tower and Lift 10 of the OBG portions of the database will be determined. Subsequent to arrival, work will continue on the database until its completion.

Work continues on the photo survey and the data will be transmitted when complete.

If you have further questions regarding this matter, please contact Ching Chao at 138-1615-4694.

Sincerely,

WILLIAM S. CASEY  
Construction Manager, OBG
